## CONTRACT BEDS

MATTRESSES | DIVANS | HEADBOARDS | SOFA BEDS

135cm x 190cm deep platform top divan on twin-wheel castors with a 142cm high floor-standing Lotus headboard upholstered in Faux Linen Stone

## Majesty Pillowtop

With a range designed exclusively for the hotel and contract market, Mattison Contract Beds is one of the industry's leading manufacturers of contract beds with over 150 years of experience. As a UK manufacturer, Mattison Contract Beds produce mattresses, divan beds, headboards, sofa beds, guest beds and bedding accessories which all comply with UK fire regulations. With an extensive portfolio of clients ranging from top hotel chains, independent and boutique hotels, cruise ships, through to interior designers, these are beds for business - designed for demand.

The Majesty Pillowtop mattress offers the unparalleled support of a pocket sprung mattress finished with the exquisite comfort of a cushioned pillow top layer. The Majesty Pillowtop is a 1,000 pocket, medium tension, 'No Turn' mattress extravagantly filled with silk and wool - these natural fillings help to regulate body temperature to provide a better night's sleep. The pillowtop layer is discreetly attached to the mattress and as a 'No Turn' mattress only requires rotating on the base rather than flipping to reduce wear.

Having been designed specifically for the hotel and contract

market, the durable and breathable anti-bed bug treated fabric will stand the test of time. EULAN® SPA 01 treatment has been applied to the mattress ticking to offer high-performant bug protection and is Ökotex-Standard 100 approved. This treatment is odourless and guaranteed skin-safe. Pair the mattress with a host of options for the bed base to suit requirements - and opt to upholster in our range of fabric options - or supply your own.

## MAJESTY PILLOWTOP MATTRESS SPECIFICATION (1990)

|                       |  |

| Height          | 280mm                              |

## DIVAN BASE OPTIONS

At Mattison Contract Beds, we offer a range of standard divan base options to suit a variety of needs. Whether you want a regular divan base, or a bed complete with an underbed, or anything inbetween - our standard divan base options are detailed as follows:

## STANDARD SIZES

Our standard bed sizes are:

- 75cm x 190cm
- 90cm x 190cm
- 90cm x 200cm
- 100cm x 200cm
- 120cm x 190cm
- 135cm x 190cm
- 150cm x 200cm
- 180cm x 200cm

Bespoke, made-to-measure sizes are also available upon request. Note that the above measurements are subject to a tolerance of  $\pm 20$ mm. Orders can be placed in either metric or Imperial measurements.

## FOOT OPTIONS

All divan bases are fitted with castors as standard. All bases can be fitted with castors or glides (or a combination of both). Customers own choice of feet design can also be provided prior to manufacturing to provide a unique level of customisation.

## SPLIT BASES

We advise that deep base double divans be manufactured in two halves for ease of access in widths up to 150cm, an additional charge for this feature applies. Bases with a width of 180cm and larger will automatically be manufactured in two halves at no extra cost. Bases can be split North-to-South or East-to-West. Please inform us at time of order of any split and your direction of preference.

## DRAWER OPTIONS

We offer a range of drawer options to complement our standard divan base options - with 1-drawer, 2-drawer, 3-drawer, continental drawer or slider options. Suitcase storage options are available with one or two openings. Speak with our sales team for more info.

## FIRE RETARDANCY

All mattresses and divan bases are fully compliant with BS 7177 (Medium Hazard) Crib 5 Fire Retardancy standards for hotel and contract use.

## CUSTOMERS OWN MATERIAL

Divan bases and headboards can be upholstered in our standard range of fabric options available upon request - or supply your own for a truly unique finish - subject to suitable abrasion tests and compliance with Fire Retardancy regulations. A fire retardancy/treatment certificate will be required to accompany the fabric prior to manufacturing.

## ZIP & LINK / VELCRO & LINK

To offer flexibility in terms of rooms, the mattresses can be zipped and linked together to turn a twin room into a double, or vice versa. As an alternative to zip & link, we also offer Velcro and link.

## 5 YEAR GUARANTEE

At Mattison Contract Beds, we stand by the quality of our products and offer a 5 year guarantee for defects through proven material failure or faulty workmanship on a 'repair or replacement' basis. T&Cs apply.

## ENVIRONMENTALLY SUSTAINABLE

As part of our ongoing commitment to environmentally sustainable manufacturing, we ensure responsible sourcing of materials and endeavour to ensure that no waste goes to landfill.
